Village Library Books

Encouraging a love of books will always be a big focus for PLF. Village Libraries, well-stocked with great books and managed by well-trained Librarians, improve literacy rates in students and build community. Our goal is to establish a love for reading in primary school and continuously feed books to students all the way through high school and beyond. We run seven libraries in total. Keeping these all stocked with engaging material costs \$2,000 per year.
