Fund Seven Vitally Important Lending Libraries: \$3,060

Fund a Children's Library for one year: \$380

Fund a High School Library for one year: \$560

Fund a Community Library for one year: \$420

PLF runs seven lending libraries: Four for children, two for high school and university students, and one for the community. Access to books is rare in Cambodia, especially in the rural areas where PLF works. Having books available contributes greatly to student literacy as well as helping to build a life-long love of reading, also something rare in Cambodia. PLF has had great success with their Library projects and remains committed to keeping new titles rotating into all libraries.
