

THANK LETTER

To

SE Asia Foundation

First, I would like to express my deep gratitude for your kindness in giving me a scholarship opportunity to continued my university studies until I have successfully graduated and achieved results. All this I get from study hard never give up, no matter what the problem is I always keep trying to solve it. My family is very proud of me they are happy when I succeed my study and they congratulate me. this makes me happy in my life.

For the past 4 years that I have studied at the university makes become a better person than before so I can take this knowledge to share with my friends and use it for my work. With the knowledge I have I can help my family to be better than before. Also, I want to thank you myself, my teachers, my friends and my family members that they always support me in my study and always stay by my side and keep me motivated to continue until I finish my Bachelor Degree in Tourism and Hospitality Management.

You have given me a good opportunity to get a higher education and gain knowledge. That can help me to get good opportunities and get a good job by applying the knowledge learned in the job. So this is the result that I get from it and work hard, I never give up and I always have hope and make a better life.

Finally, I have nothing to say but thank you very much for your kindness, it is a special gift for me and my family. Your kindness will be in my memory and in my heart forever. And I hope all my people get the same opportunity as me. May you meet only good people and always be happy have only smile every day and be healthy.

Love,

Kanha Pou
