

Coffee Shop Dream for Disadvantaged Youth

Imagine: a warm aroma of freshly baked pastries, frothy latte art swirling in cups, and young people brimming with hope and the skills to build their own futures. This is the dream brewing at SPOONS Cambodia, and you can help make it a reality!

We would like raise **\$6,140** and transform an area into a vibrant coffee shop training space for disadvantaged youth. These young people, from families struggling with poverty, will be equipped with:

- **Bakery & Barista Skills:**
Major the art of delicious pastries and perfect coffee creations.
- **Entrepreneurship Training:**
Learn the business behind the brew, from marketing to finance.
- **Business Start-Up Support:**
Get the tools and guidance needed to launch their own coffee shop dreams.

Your donation, no matter how big or small, will be a stepping stone towards:

- **Breaking the Cycle of Poverty:**
Equip young people with the skills and confidence to build sustainable livelihoods.
- **Empowering the Next Generation of Entrepreneurs:**
Foster self-reliance and entrepreneurial spirit in Cambodia's youth.
- **Building a Community Hub:**
Create a space for learning, connection, and delicious coffee!
